DEDICATION

This Centennial edition of Tam O'Shanter is dedicated to a nation, and two men who have helped this country attain its greatness. Happy Birthday Canada. But birthday celebrations would not, indeed could not, be complete without mention of two celebrated Canadians, who through their personal lives and dedicated careers have aided Canada in her struggle for nationhood, security, and above all unity. The late Governor-General Georges P. Vanier, "soldier, Statesman, and patriot," served his Canada well, and his Canadians shall serve his memory well. Dr. J. Grant MacEwan, as Lieutenant-Governor of the province of Alberta, is also a fine example of Canadians at their best. Dr. MacEwan is an outstanding author, patriot, and above all, human being who has served and will, we trust, continue to serve our province and our nation well. Thus, to a nation and to two fine members of this nation, we dedicate this 1966-67 edition of Tam O'Shanter.

Escapade '66, November 12-14, was Bonnie Doon's first attempt at a variety show and a most successful one indeed. Approximately \$100.00 profit was received from ticket sales. Also featured was a dramatic award for "Biggest Ham of the Year," kindly donated by Mrs. K. Moar. Conrad Boyce and Harold Eastman tied for the "Oscar".

CENTENNIAL

Bonnie Doon's Centennial Week extending from February 13-18, headlined a week of snowshoe and toboggan races, turtle derbies, hootenannies, weight lifting and squaw wrestling all to be followed by a dance. Saturday, February 18, headed Doonites date list for Whoop Up 100 with L'il Davy & the Drastics, Poker tables and roulette wheels drew the best and the worst of gamblers. A spark of ingenuity and much planning completed Bonnie Doon's Centennial week. Hats off to the Centennial Committee for a terrific job done.

WEEK

CANDIDS

As a special Centennial attribute to Bonnie Doon, we have decided to show you, Doonites, what a great school you have; take a look around you.

We have all sorts of people at Bonnie Doon. . . .

Some work hard. . . .

While others. . . .
Well!

Some kids like to join groups. . . .

While others prefer to be left alone. . . .

Some spend noon hours studying. . . .

While others prefer a leisurely jaunt about the school. . . .

Some are gay and carefree. . . .

While others perhaps a little more cautious as they walk the paths of adulthood. . . .

All kinds of people come to visit us. . . .

Some were so fascinated by our charm that they insisted we be televised. . . .

We are a pretty active group. We take part in all sorts of activities.

like swimming. . .

dancing. . . .

singing. . . .

or just watching. . . .

Some like to talk about things over a cold glass of. . . .

or discuss things seriously. . . .

Until an answer is worked out. . . .

Some kids are really in the swing of things. . . .

While others are a little dazed at what's going on.

Occasionally there is a spat. . . .

or two. . . .

and someone stubbornly refuses to change his (her) point of view. . . .

But someone usually sees the light. . . .

and everyone is his own happy self again. . . .

And so you have had a pretty good look at your school

You might say "But you didn't show me the gym or any of the classrooms!" Sure we did! We showed them as they usually are — filled with the people that make them throb with life each day.

SR. VOLLEYBALL

The girls did very well in reaching the semi-finals and all we can do is wish them better luck next year.

SECOND ROW: Miss McFarlane, Sandy Debolt, Barbara Stewart, Nadine Purpur, Vivian Nelson, Terry Lemmon.

FIRST ROW: Marilyn Rose, Marie Pelech, Starr Atkins.

MISSING: Corinne Parslow, Ruth Gordon.

JR. VOLLEYBALL

The girls' serves and volleys were unmatched as they fought their way to first place in their league division. Unfortunately they lost to Ross Shep in the semi-finals.

SECOND ROW: Mrs. Parker, Charlotte Todd, Judy Debolt, Colleen Ryll, Margaret Rabe, Chris Klakowich, Trudy Wilson, Betty Smallwood.

FIRST ROW: Cathie Garrett, Susan Currey, Carol Symic, Linda Dougan, Terry Smith.

MISSING: Laurette Morris.

SR. BASKETBALL

SECOND ROW: Miss Fisher, Sandy Debolt, Margaret McIntyre, Barbara Stewart, Nadine Purpur, Bonnie MacGregor, Karen Mason.

FIRST ROW: Sue Rennebohn, Linda Edey, Starr Atkins, Terri Lemmon, Gail Janzen.

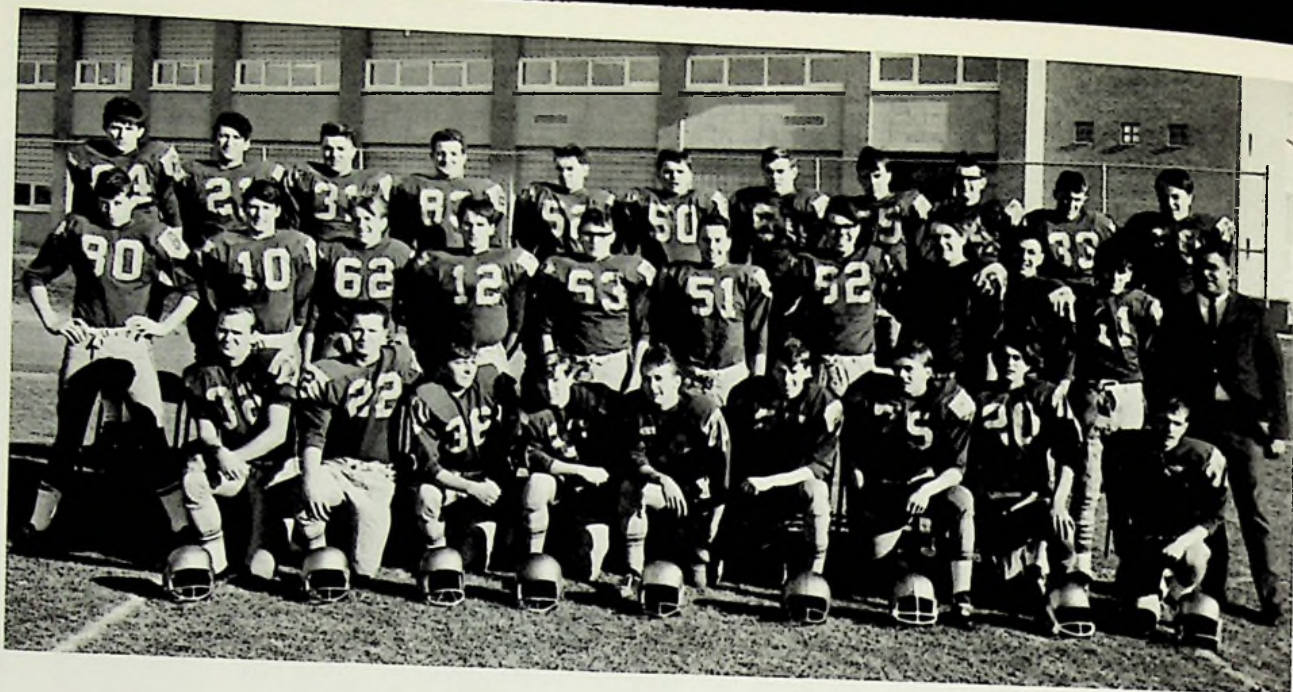

JR. BASKETBALL

FIRST ROW: Carol Symic, Charlotte Todd, Judy Debolt, Chris Klakowich, Charlotte Verbitsky, Marg Barker.

SECOND ROW: Lisa Casselman, Gerry Smith, Linda Dougan, Peggy Sterrenberg, Sharon Glubish, Sharon Holmstrom, Miss S. McFarlane.

The junior basketball team was unmatched as they won their way to the semi-finals but was defeated in the semi-finals by Victoria.

SENIOR FOOTBALL

BACK ROW: Frank Scott, Terry Shuttleworth, Andy Hearn, Bruce Ross, Murray Douglas, Rick Woods, Jim Begg, George Spencer, Don Greenway, Greg Stewart, Bill Love.
MIDDLE ROW: Bill Henderson, Allen Hasselgren, Brian Oleschuk, Jeff Cashanette, Nelson Shantz, Dave Gibson, Tim Mathies, Bill Oppen, Len Woolley, Dave Turner, J.D. Bright (Coach).
FRONT ROW: Jim Short, Allan Mabee, Bob Mennie, Phil Makin, Dave Leitch, Gary Ewert, Blair Bennett, Richard Massing, Howie Farrell.

The Lancers started the season off with victories one after another. With Mr. Bright and Mr. Frank Morris, the coaching staff could not have been better. Unfortunately the Lancers didn't finish the season off as they had started. This has been the ninth consecutive year that the Lancers have defeated Soona. We expect another good team next year with many of this year's Lancers returning along with many eager juniors coming up.

The team voted Larry Silvester as the most valuable player. Larry also led the city in punting and pass receiving. Thanks to the Pep Squad and the spirited Lancer supporters; we had a great year.

SENIOR BASKETBALL

Once again the Lancers were very successful. In nine years the Lancers have won 197 games and lost a mere 33. They have never finished below SECOND place and have never failed to reach the semi-finals in the play-offs. The Lancers have been in the final play-off game the last five years in a row.

The Lancers really hustled this year — in fact every year they hustle — and this is a sign of a great team. We also expect to have a great team next year with juniors coming up and several seniors returning.

FIRST ROW:
Jack Paul,
Don Radstaak,
Gary Campbell,
Lance Roberts.
SECOND ROW:
Larry Silvester,
Greg Stewart,
Allen Hasselgren.

PRESIDENT'S MESSAGE

Another great year in Bonnie Doon's history has come to a close. It has been a year of unqualified success in all endeavours. I personally have enjoyed carrying out my duties and I am sure that all those on the Students' Council Executive have shared this feeling.

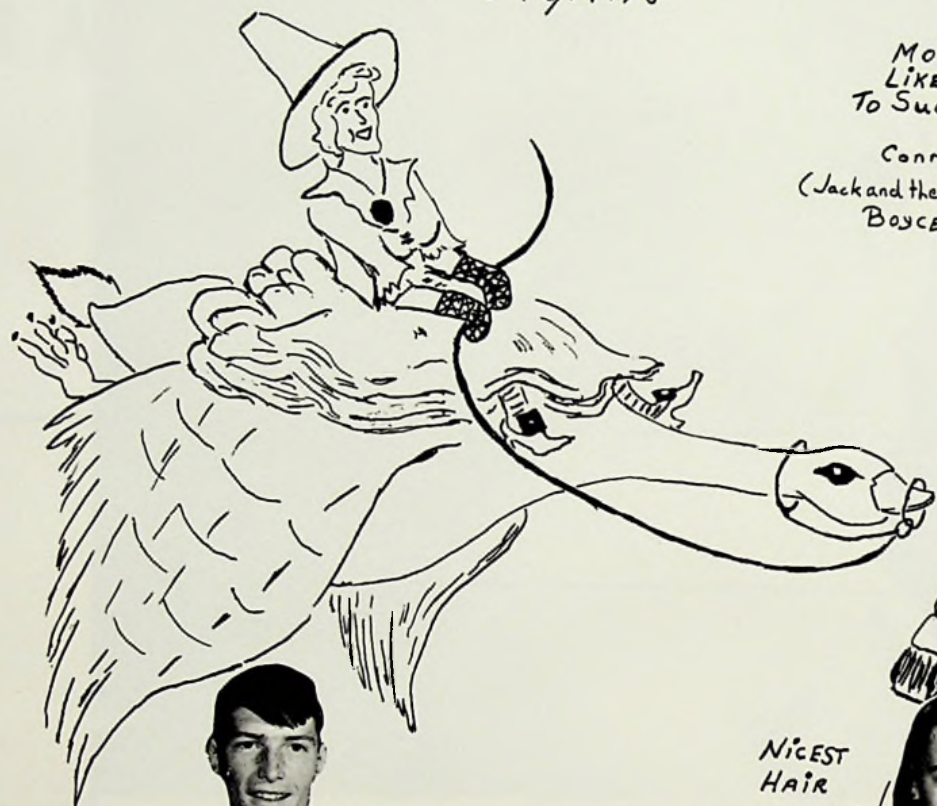

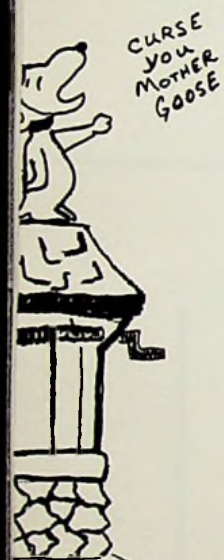

We have had the privilege this year, of ushering in Canada's Centennial. Our part in the celebration has taken the form of a new public address system in the auditorium and a presentation of a movie projector to an Indian school in Grouard, Alberta. The Honourable Dr. J. Grant MacEwan has also visited us as part of our centennial theme.

The function of the Students' Union could not have been carried out had it not been for a hard-working executive and council. I would like to especially thank Mr. French, our staff advisor, and the administrative staff of the school.

My best wishes are extended to next year's Students' Union, and to this year's Grads.

CLASS HISTORY 1966-67

Unconsciously over the past three years, we the Grad class of 1967 have been writing a book. No, this book will never become a best seller — it's a special book — it's known as our Class History. Each of us has left some part of himself indelibly etched in the pages of this record so that our Class History will mean something different to each of us.

This was indeed a year of firsts as Bonnie Doon's swimming pool was inaugurated at the beginning of the year, and the Tartan, written and published by Bonnie Doon students, made its debut.

Another first for Bonnie Doon was Escapades '66, staged and produced by the students and teachers of our school. The whole idea originated in the spring of 1966 in the person of Mrs. Moar. In November of 1966 over 200 students were instrumental in staging one of the greatest successes of the year — Escapades '66.

A day to be remembered — Wednesday, March 15, when the Lieutenant-Governor of Alberta, the Right Honorable Dr. J. Grant MacEwan visited Bonnie Doon and spoke to the students regarding our Centennial year. At the conclusion of his speech, the student body, 1500 strong, gave him a most resounding show of their appreciation.

Clubs flourished! The Photographers were kept busy taking pictures of various teams and other Clubs for the Yearbook. The Booster Club helped to bolster school spirit by selling green and gold beanies. The Hootenanny Club put on three very successful performances, and the Radio Bonnie Doon Club kept students entertained during the noon hours by playing top recordings over the P.A. system. The Library Club once again fulfilled its position of assistance to Miss Kerr, librarian at Bonnie Doon. The Dance Club and the Weight-lifting Club were two more of the many active clubs, and in March, the Drama Club put on the "Diary of Ann Frank," our year play. Thanks go out to Mrs. Polley, director, and all other students and teachers who made our year play the success that it was.

A great honor came our way this year, when the CBC — TV Network came to Bonnie Doon; filmed normal school activity and interviewed various students. These interviews have been shown across Canada.

On the sports field Bonnie Doon showed great prowess this year. Our football team finished a well-deserved second in the league and for the third consecutive year, our basketball team won the CAHPER Trophy. The girls' basketball and volleyball teams did admirably, and our badminton and curling teams have given us cause to be proud. At present the track team is working out and the soccer team is just rounding off its schedule. This was indeed a year of the Lancer Spirit.

This has been an exceptionally good concluding year, and we have accumulated a most admirable Class History. Although this year is fast drawing to a close, let's not look at it as the end, but simply as a new beginning.

It's going on and up that's the
fun of studying; not arriving at
the place. Arriving is the end.

VALEDICTORY

Mr. Ward, Honoured Guests, Parents, Friends, and Fellow Graduates:

Today has been to most of the citizens of Edmonton no more than an ordinary Friday morning, a work day which brought the same jobs to be done, the same people to be met. But for many of us here, May twelfth will remain an experience which will be considered one of our most significant life moments.

The 1967 graduating class of Bonnie Doon is assembled in this auditorium tonight for the last time together. Though we may forget the day, we can never forget the moment — the moment of accomplishment and a sense of completion. Tonight is the climax of our high school life. Tonight is graduation; tonight is commencement — a time in our lives which is unique because only now, during this brief and final rendez-vous, may we see yesterday, today, and tomorrow, these few hours belonging to none of those.

The paradoxical nature of an ending brings with it a beginning — new schools, new jobs, new friendships, new homes. All of these are exciting, sometimes difficult, but we welcome them and the challenges they offer. These beginnings look very different from the past which shaped them. The future has yet no form, but it is a lump of clay waiting to be moulded by us, the craftsmen. Will we create a masterpiece, a failure, or worst of all, will we leave our future shapeless, to rot into nothingness by indecision and indifference? This is the choice which each of us is given, which each of us must make.

Lord Tweedsmuir wrote, "We can only pay our debt to the past by putting the future in debt to ourselves." These words have a particular application to a graduation class, reminding us, as we assert our long-sought independence, of the obligations we are under. Perhaps the greatest of these is the obligation we have to our parents and our friends. These are the bonds of affection and understanding which must not be belittled, or thoughtlessly broken. For it has been said that, "In the life of a young man, the most essential thing for happiness is the gift of friendship." Our real friends overlooked our weaknesses that are all part of us. By now we have learned that being the same as one another isn't important, that true friends, have the sincere gift of being themselves.

Tonight we all need to think of our great debt to the past — to our parents, for we will always be their children; to our teachers, from whom has flowed a constant source of encouragement; to our friends and to our spiritual leaders. What we owe the past is far more than we can realize now. What we are, and what we become, putting the future in debt to ourselves, can only be our repayment of that which we owe.

Tonight, suspended between the past and the future, we have left reality for a dream full of yesterdays, a vision full of tomorrows. But now the moment is almost gone; we must return to the frustrations, to the victories of the present. In a poem by Robert Frost, 'Stopping by Woods,' a farmer longs to remain in the mystical beauty of that snow-covered forest. So we, too, would like to continue our dreams and our visions. But, like the farmer, as graduates, of Bonnie Doon High School, as citizens of Edmonton, "So we have promises to keep. And miles to go before we sleep. And miles to go before we sleep."

Joanne Hughes
